

About the Advance

A church-based 50 day emphasis on Christ-centered spiritual growth

Purpose: To encourage and educate the church members to learn and appropriate their identification with Christ in His death, burial, resurrection, and ascension.

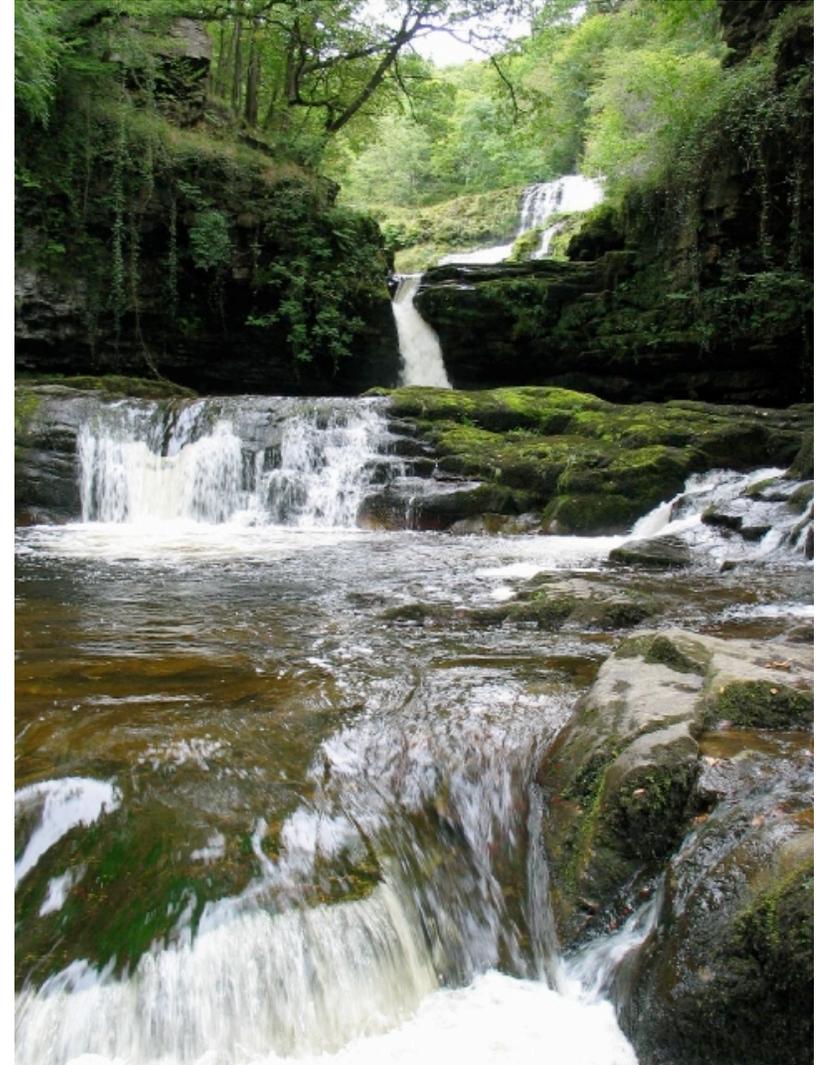

Design: Eight Sundays (and the fifty day period) are set apart for deeper life teaching through coordinated Sunday sermons, small group/adult Sunday School studies, and individual devotional reading.

Need: The identification truths (Rom. 6:1-4; Gal. 2:20; Eph. 2:-7; Col. 1:27; 3:1-4) are vital to victorious Christian living and fruitful ministry. One of the most respected daily devotionals, Oswald Chambers' *My Utmost for His Highest*, was written from this perspective. Yet, most have never come to grasp the full significance of their spiritual union with Christ. This "meat" of the Word (Heb. 5:13,14) needs to be shared clearly. The GFI materials put this revelation in a step-by-step process to encourage dynamic discipleship and Christ-centered soul care.

Dr. Solomon and the ministry of Grace Fellowship, in sharing the life-changing principles of the believer's identification with Christ, has had a profound impact on the lives of many Christians here in Atlanta. My endorsement and support is evidenced by our scheduling a five day workshop at our church."
