### Luther Rice College & Seminary

Students in the Biblical Counseling degree program at [Luther Rice College and Seminary](#) are authorized to fulfill their practicum requirement through Grace Fellowship International.

There are three modules in this GFI practicum process: the Exchanged Life Conference, the Workshop, and the Spirituotherapy Lecture Series. Follow the module links for more details.

**1. The Exchanged Life Conference** is available by as a [live event](#), [webinar](#), or [by DVD](#). An accompanying 100 page notebook is used with it. (If you take the Conference early via a media option, attendance at the live event is optional.) *Handbook to Happiness* and *The Ins and Out of Rejection* are to be read as a related assignment (if you have note yet done so). Both books are by our founder, Dr. Charles Solomon. The fee options for the conference include: the live event – \$50.00 (notebook included); media options – \$30.00 for the webinar. (DVD and audio CD albums are also available in the [GFI store](#).) The notebook is additional: \$15.00 (in print) or \$10.00 (PDF). **If the student registers for both the Workshop and Solomon School Lecture Series at the same time (see below), the Conference and notebook are free.**

For information on the next Workshop, visit the [Workshop page](#) or the Grace Fellowship [Events Calendar](#). Please read *Handbook for Christ-Centered Counseling* as part of the workshop requirements. Students will also take a Taylor-Johnson Temperament Analysis questionnaire as part of the Workshop. (To get acquainted with this instrument, you can visit: <https://www.tjta.com/abouttjta.htm>.) Afterward, you are asked to lead two individuals through the (approximately two hour) Spirituotherapy interview process (that you will be trained to do in the Workshop).
