Kulimbana kwanu kwamkati

"S" alipakati pachithunzi ayimira moyo wolamuliridwa ndi undeka kapena "thupi" (KJV). Thupi likulamulira m'miyoyo yaokhulupirira ambiri .Limakhala ndimawonekedwe osiyana kutengera m'mene alili munthu, kuti zosowa zikwaniritsidwe munjira yabwino kapena yoyipa. Ndalama, katundu, kupambana, kutchuka, mphamvu ndizina zotero zithakukhala zopambana ngati undeka ukulamulira.Undekha "thupi" ndikokuti kuyetsetsa kukhala moyo wachiKhristu mumphamvu yako. Mamasulidwe Anu

Zovuta zamoyo ndi zathupizi zimasowa pamene munthu wazindikira mene Mulungu angathanire ndi mudzi wavuto ndikuchotsa pampando moyo wa undekha. Chithunzi chilipansichi "moyo kuchokera ku imfa" machitidwe a Mulungu kuonetsera kulimbana kwam'kati. Mzere waukuluwo uyimira moyo wamuyaya, moyo wa Khristu. Muyaya awonetsa palibe chiyambi ndinso chimaliziro. Umapitirira malire a moyo Mulungu wakhala aliwamoyo ndipo akhalabe wamoyo. Moyo wake ndichimodzimodzi dzuro, lero, ndi muyaya (Ahebri 13:8).

Monga chakumanzerekero muwonera Khristu adakhala thupi (Yohani 1:14) nakhala muthupi lamunthu kwadzaka 33. Adapachikidwa, nayikidwa m'manda naukitsidwa kwaakufa patsiku lachitatu (1 Akoli. 15:3-4). Akupitirirabe kukhala ndi moyo lero (Ahebri 7:25). Dzivani kuti moyo wamuyaya siwalero ndimutsogolo kwawokhulupirira komatu ngakhale kalenso muyaya.

Ngati sitinabadwenso Yoh 3:30 sitirim'moyo wa Khristu-moyo wa muyaya koma tiliahufa muuzimu - moyo wa Adamu. Wina athakuwona kuti ngati m'modzi mwamakolo athu akuimiriridwa nditimizere tating'ono pamzere wolodza pansi akusowa, ifenso tikanakhala kulibe. Kukamba tchutchutchu miyoyo yathu ilindichiyambi mwa Adamu, choncho chilichonse chinamuchitikira chinachitikiranso ife. Atachimwa, tinachimwanso. Atafa muuzimu ifenso tinafa – chimodzimodzi tikanafera mwaagogo athu akanafa popanda ana. Choncho, poti imfa yauzimu ndikulekanitsidwa ndi Mulungu, ifenso tinabadwa akufa muuzimu.

Tikufunika chikhululukiro chamachimo athu, komanso tikufunika moyo. Ambuye Yesu Khristu anabwera kutipatsa zonse pakufera machimo athu natipatsanso moyo wake wachiukitso(Yoh 10:10)

Ngati muli m'Khristu mukudiziwa kale izi. Zomwe simukudzidziwabe ndiizi; kwaokhulupirira imfa yathupi ndinjira kuchoka moyo mudzikoko ndipo kupedzeka kwa tchimo ku moyo m'mwamba ndinso kupezeke kwa Mulungu. Pakukhala wotengapo mbali pamoyo wa Khristu, timatenganso mbali mu imfa yake, kuikwida m'manda, chiukitso, kukwera m'mwamba ndinso kuhalanaye m'mwamba (Aroma 6:3-6; Agalati 2:20; Aefeso 2:6). Alindi moyo umodzi wokha, ndipo ndiye moyo timaulandira tikabadwanso (1 Yoh 5:11-12)

Ngati sitingazindikire ndi chikhulupiro kuti tinapachikidwa ndi Khristu tipitirirabe kuhala mwa Khristu pogwiritsira njira za moyo waundekha tinaziphunzira. Zovuta zomwe zilindi tsinde mwa Adamu zipitirirabe kutizunza ndi kutigonjetsa. Koma ndi chikhulupiro tikutenga malo athu oyenerera pamtanda muumodzi ndi imfa ya Khristu, ndi chiukitso, kenako tithekuyenda muchidzalo chamoyo (Aroma 6:4b) pamene "zinthu zakale zapita; tawona zakhala zatsopano" (2 Akol. 5:17)
